DIURNE

EDITEUR & CREATEUR DE TAPIS

En bref / In a nutshell

Depuis 1982, DIURNE produit des tapis d'exception, reflets de la sensibilité de Marcel Zelmanovitch, son fondateur, à cet artisanat de luxe. Composés de matériaux précieux, noués mains, ces tapis sont le résultat d'un grand savoir-faire artisanal, comme en témoigne leur texture dense et intense, propre aux tapis tibétains d'ateliers.

Since 1982, DIURNE manufactures one-of-a-kind, hand-knotted rugs, reflecting the founder's responsiveness to luxury handicraft. Our rugs comprise exclusive fibres bursting into vibrant textures thanks to the expertise of the traditional Tibetan craftsmanship. They are based on the huge variety of our original designs and we provide through our Art Studio a truly bespoke service to our customers.
